

ULTRA SLIM PANEL LIGHT

AL-UPL

Brighten life INTELLIGENTLY!

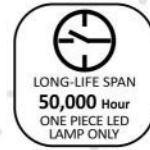

The perfect option for lighting up indoor spaces like halls, corridors etc., Abaj Lighting brings you ultra-slim LED panel lights that fit seamlessly in the ceilings and enlivens the entire space. These low glare LEDs are environment-friendly and extremely energy saving. We offer multiple mounting options that cover recess mount-type for false-ceiling and surface mount-type for existing interiors. Now you can replace the standard fitting of fluorescent mirror optic fixtures and use Abaj Slim LED panel in your drop ceiling. Now let your spaces shine bright and let your ambience feel the amazing soothing effect of Abaj Slim LED Panel light!

Superior Finish | Longer-Life | Slim Design | High CRI | Zero Maintenance | 80% Energy saving over CFL
