

WALL WASHER

Illumination at ITS BEST!

AL-WW-IND

Abaj Lighting offers a wide selection of wall washers that make your abode feel spacious and welcoming without adding any shadows or uneven lighting. Suitable for both indoor as well as outdoor lighting solutions, these LED dim-friendly lighting fixtures are affordable, energy efficient and are a specialist tool for display as well as commercial lighting applications. Engineered from a combination of aluminum pressure die-castings they provide a visually smooth asymmetric beam with no fringing and are low on maintenance with minimal power consumption.
