

LOGO LIGHT

Creating Better Branding Solutions with Smart Lights

AL-LOGO

Smart technology makes it possible for Abaj Lighting to affect your branding and business world in more ways than one. It's time to showcase your logo in the most distinctive way and craft a striking, industry-wide brand with elegantly designed Logo Lights by Abaj Lighting. Designed for forward-thinking companies, these lights are operated through batteries saving around 90% energy compared to other lights. They are versatile and thus can be placed almost anywhere you can think of.

Easy to control and easy to create amazing logo reflections, it is compliant with international standards, made of high-quality materials and with unique engineering expertise. It's time to move beyond the light to the front!
